Surface paper/fabric contains optical brightening agents. Bold product numbers denote items available in 40" x 60" / 102 x 152 cm.

PETERBORO MATBOARDS

White alpha cellulose core, free of acid, lignin & ground wood.
Fade and Bleed resistant, pigmented, conservation quality surface papers.

Bright white core, buffered to an alkaline pH (7.5 to 9.5).

Extra heavy surface papers allow for a smoother, cleaner cut.

Smooth white bevel that will not turn brown.

Conservation backing paper.

100% virgin fibre surface and backing paper.
